### **PHYSICAL AND MENTAL DEMANDS**

The physical and mental demands described here are representative of those that must be met by an employee to successfully perform the essential functions of this job. Reasonable accommodations may be made to enable individuals with disabilities to

perform the essential functions.

### **PHYSICAL DEMANDS**

While performing the duties of this job, the employee is regularly required to stand; use hands to finger, handle, or feel; reach with hands and arms; and talk or hear. The employee frequently is required to walk; climb or balance; stoop, kneel, crouch, or crawl; and taste or smell. The employee is occasionally required to sit. The employee must regularly lift and/or move up to 25 pounds, frequently lift and/or move up to 50 pounds, and occasionally lift and/or move up to 100 pounds. Specific vision abilities required by this job include close vision, distance vision, color vision, peripheral vision, depth perception, and ability to adjust focus. The employee is occasionally required to work in confined spaces or other areas with potentially hazardous atmospheres requiring the use of self contained breathing apparatus (SCBA) or respirators and in that respect is required to follow the District's facial hair policy.

### **MENTAL DEMANDS**

While performing the duties of this class, employees are regularly required to use oral and written communication skills; read documents or instructions; analyze and solve problems; observe and interpret data or information; use mathematical reasoning; learn and apply new information or skills; work under changing intensive deadlines with constant interruptions.

### **WORK ENVIRONMENT**

While performing the duties of this job, the employee is regularly exposed to moving mechanical parts, fumes or airborne particles, toxic or caustic chemicals, and outside weather conditions. The employee is occasionally exposed to wet and/or humid conditions; high, precarious places; extreme cold; extreme heat; and risk of electrical shock. The noise level in the work environment is usually moderate.
