

Employment Opportunity

**Laboratory Supervisor (Full Time)**

**Salary Range \$50.48-\$64.42 per hour**

**Excellent Benefits Package**

**Who we are and who we're looking for:** The Goleta Sanitary District is a group of individuals who care deeply about protecting public health and the environment. We value innovation, commitment, and excellence as the region's authority on water resource recovery. We're looking for a person who shares these values. This position reports to the Environmental Services Manager.

**Duties:** The District's Laboratory Supervisor oversees the day-to-day laboratory operations. Supervises, plans, prioritizes, and reviews the work of laboratory staff. Directs the laboratory quality management system and quality control program. Prepares reports to regulatory agencies and performs related duties as required.

**Education, Experience and Knowledge:** A bachelor's degree in chemistry, biology, engineering or related field required. Four years of increasing responsibility in a wastewater laboratory experience including one year of supervisory or lead experience is required. Possession of a valid Class C California driver's license. Possession of a California Water Environment Association Grade III Laboratory Analyst Certificate or the possession of a California Water Environment Association Laboratory Technologist Grade II certificate with the ability to obtain a California Water Environment Association Grade III Laboratory Analyst Certificate within 12 months on hire.

**Process:** Applications, job description, and benefits information are available at <https://goletasanitary.org/organizational-excellence/work-at-gsd> or apply at Goleta Sanitary District, One William Moffett Place, Goleta CA 93117. Please mail attention to Laura Romano, Communications and HR Manager or by email to: [lromano@goletasanitary.org](mailto:lromano@goletasanitary.org). Resumes will not be reviewed without an application.

**Application deadline:** Applications are accepted until March 15, 2024.
