

Employment Opportunity

Facilities Maintenance Technician I

\$33.98-43.37

Who we are and who we're looking for: The Goleta Sanitary District is a group of individuals who care deeply about protecting public health and the environment. We value innovation, commitment, and excellence as the region's authority on water resource recovery. This position reports to the Facilities Maintenance Supervisor or Senior Maintenance Technician and is part of the District's Maintenance team.

Duties: Applicant may be considered for either Tech I position, depending on qualifications. Under general supervision, the Tech I (entry-level) position performs a set of semi-skilled in the installation, repair, and routine maintenance of wastewater treatment facilities and mechanical equipment.

Requirements:

Tech I-High school diploma or GED and one year experience in the repair and maintenance of mechanical equipment such as pumps, motors, valves, and engines; or an equivalent combination of training and experience.

Process: Please visit our website, goletasanitary.org/employment-opportunities for the application and full job description. To apply send the application and any other relevant information to Laura Romano, Communications and Human Resources Manager at lromano@goletasanitary.org with the subject heading, "Facilities Maintenance Technician I".

Sorry, no resumes are accepted in lieu of application materials.

Application deadline: Open until filled
