AGENDA ITEM #1

AGENDA ITEM: 1

MEETING DATE: July 15, 2024

I. NATURE OF ITEM

Public Hearing Regarding Placing Sewer Service Charges on the County Tax Roll for Fiscal Year 2024-25. Consideration and Approval of Resolution No. 24-718 Overruling Objections and Adopting Report on Sewer Service Charges to be Collected on the Tax Roll for Fiscal Year 2024-25.

II. BACKGROUND INFORMATION

On June 17, 2024, the Governing Board of the Goleta Sanitary District adopted Resolution No. 24-717, providing for the collection of sewer service charges on the tax roll for FY 2024-25 and set a public hearing on the matter for July 15, 2024. A notice of this hearing was properly published as required. The purpose of this hearing is to give the public an opportunity to weigh in on the placement of the sewer service charges on the tax roll.

A report of proposed sewer service charges to be collected on the tax roll has been prepared and is available for public review. The sewer service charges for FY 2024-25 are ready to be submitted to the Santa Barbara County Auditor-Controller for incorporation into the tax roll. The County Auditor-Controller must receive this information by August 10, 2024, to be included on the FY 2024-25 tax roll. These charges were adopted under District Ordinance No. 90 on July 16, 2018. No other changes to the District's sewer service fees have been made.

III. COMMENTS AND RECOMMENDATIONS

It is recommended that the District hold its public hearing on the collection of these sewer service charges on the tax roll and solicit input from members of the public before final action is taken by the Governing Board.

AGENDA ITEM #2

AGENDA ITEM: 2

MEETING DATE: July 15, 2024

I. NATURE OF ITEM

Update on 2024 Election Process and Schedule

II. BACKGROUND INFORMATION

The upcoming 2024 election in November will be the second time that Board members are elected by voting district (area). A copy of the approved voting district map is attached to this report. This year, the following Board members are up for election:

Board Member	Voting Area
Ed Fuller	4
Sharon Rose	5
Dean Nivens	1

Directors Fuller and Nevins have both confirmed that they are planning to run for re-election. Director Rose has informed us that she will not be running for re-election. If Director Rose resigns prior to the end of her term, the Board would have the opportunity to appoint someone to fill the vacancy through the end of the term. There are other possible outcomes associated with the appointment process related to the upcoming election if no one runs for the open seat.

District Legal Counsel Jeff Ferre will be available to explain the various outcomes associated with the upcoming election and answer any questions the Board may have.

III. COMMENTS AND RECOMMENDATIONS

This report is for informational purposes only. As such, no action is required at this time.

AGENDA ITEM #3

AGENDA ITEM: 3

MEETING DATE: July 15, 2024

I. NATURE OF ITEM

Consideration of Proposed Shared Lateral Agreement for Property at 434 Venado Drive in Conjunction with a Proposed Lot Split

II. BACKGROUND INFORMATION

The District has received a request for consideration of a Shared Lateral Agreement from the agent of the property owner, Justin Leach, for the Leach residence at 434 Venado Drive near North Turnpike Road, APN 067-171-019. The owner is in the process of subdividing this parcel into two lots. The front portion of the parcel contains a single-family residence along with a well and pump equipment. The rear portion of the property contains a second residential unit.

The District issued a Sewer Service Availability Letter on September 21, 2022, for this proposed lot split. The Terms and Conditions of the Letter spelled out that each property must have its own sewer connection in accordance with District Ordinance 92 and District Standard Specifications.

The owner is requesting consideration of a Shared Lateral Agreement to allow the continued use of the existing 4-inch sewer lateral for both lots as a shared lateral rather than installing a new 4-inch sewer lateral from the proposed back lot to the sewer main located on Venado Drive. The owner's agent states that approximately 200 feet of trenching through the existing driveway and adjacent landscaping would be necessary to install a separate sewer lateral connection for the proposed back lot. The agent further stated that no improvements are proposed and that the laterals are operating effectively. The Shared Lateral Agreement would allow the property owners to maintain the existing 4-inch sewer lateral to serve both properties instead of installing a new 4-inch sewer lateral for the back lot. The Draft Shared Lateral Agreement (attached) stipulates that sewer lateral maintenance, repair and replacement costs shall be borne by the property owners.

The Board has previously approved Shared Lateral Agreements for similar situations where construction concerns can be minimized and cost savings can be realized through the utilization of a single pipe. If approved, the agreement will be recorded.

III. COMMENTS AND RECOMMENDATIONS

Staff has prepared a draft Shared Lateral Agreement based on prior approved agreements. Staff recommends that the Board approve the draft Shared Lateral Agreement subject to legal counsel review, and direct the General Manager to sign the agreement, pending any changes the Board may wish to make.

Subject: **Shared Sewer Lateral Request
434 Venado Drive (APN 067-171-019)**

Dear Goleta Sanitary District,

Our firm, SEPPS Land Use Consulting, is acting as agent for Justin Leach, owner of 434 Venado Drive (APN 067-171-019). On behalf of Justin, we are processing an application requesting approval of an SB 9 urban lot split with the County of Santa Barbara. The application is being submitted to the County week of 6/17/24.

There is currently a single-family residence and a residential second unit on the property (both are permitted by the County). The residences are served by the Goleta Sanitary under GSD Permits 1839 and 2271. The SB 9 lot split will result in the single-family residence and an existing building housing well and pump equipment being located on proposed Parcel 1, and the residential second unit (second floor) and a storage/workshop (first floor) located on proposed Parcel 2. No additional development is proposed at this time.

There are no modifications to the sewer infrastructure proposed. The residential second unit is connected to the sewer lateral serving the main house near the south side of the utility building that houses well and pump equipment. The SB 9 lot split proposes a variable width easement for utilities and access for the benefit of Proposed Parcel 2.

On behalf of Justin Leach, owner of 434 Venado Drive (APN 067-171-019), we hereby request approval of Shared Sewer Lateral Agreement for the two proposed parcels. Constructing an additional lateral would require approximately 200 feet of trenching through the existing driveway and adjacent landscaping. Since there are no improvements proposed and the current sewer laterals are operating effectively, we believe continuing to utilize a shared sewer lateral is a reasonable request.

We note that the Agreement will include provisions indicating that repair, replacement, maintenance, and operation is the responsibility of the Applicant, and that the Agreement gets recorded and will be reflected on respective title reports moving forward.

Please let me know if you have questions or require additional information, and when you anticipate the District Board will act on this request. We anticipate someone from SEPPS and/or Justin Leach will monitor and likely attend that meeting. You may reach me at (805) 966-2758 or stevef@sepps.com.

Sincerely,

SEPPS Land Use Consulting

SHARED SEWER LATERAL AGREEMENT

THIS SHARED SEWER LATERAL AGREEMENT (this "Agreement"), dated for reference purposes as of _____, is entered into by and between the **GOLETA SANITARY DISTRICT** (the "District") and **JUSTIN LEACH, AS A TRUSTEE, AND THE SUBSEQUENT TRUSTEES OF THE JUSTIN LEACH TRUST DATED _____** (the "Applicant").

Recitals

A. The Applicant seeks approval from the District to utilize the existing privately owned sewer lateral located at 434 Venado Drive, Santa Barbara, California (the "Property"), for sewer service for both of the two (2) parcels to be created by the proposed lot split of the Property pursuant to tentative parcel map 14_____ (the "Lot Split"). The Property is more particularly described in Exhibit "A" attached hereto and made a part hereof by this reference.

B. Sewer service to the existing single-family residence and residential second unit on the Property is currently provided by a single privately owned lateral pursuant to Goleta Sanitary District permit numbers 1839 dated August 20, 1981 and 2271 dated May 12, 1981 (the "Lateral"). The Lateral is depicted on Exhibit "B" attached hereto and made a part hereof by this reference.

C. Following the proposed Lot Split, the existing single-family residence will be located on one of the two parcels and the existing guest house will be located on the second parcel.

NOW, THEREFORE, the parties hereby agree as follows:

1. The Applicant acknowledges, understands, and agrees that the Lateral is not part of the District's facilities, but is a private sewer line.

2. The Applicant (i) assumes full responsibility for the repair, replacement, maintenance, and operation of the Lateral at no cost to the District, (ii) shall be solely responsible for any adverse conditions arising in connection with the Lateral, including but not limited to sewage backups, spills, and the cleanup thereof, and (iii) shall immediately report to the District all sewage spills or backups originating from the Lateral.

3. The District shall have no obligations relating to (i) the repair, replacement, maintenance, or operation of the Lateral, (ii) sewage spills or backups originating from the Lateral or

damages relating thereto, or (iii) damage caused by the owner one of the parcels created by the Lot Split to the owner of the other parcel. The Applicant shall not involve the District in any questions or disputes regarding such obligations.

4. The Applicant shall indemnify, defend and hold harmless the District and its officers, directors, employees, and agents from and against all claims, liabilities, fines, penalties, damages, costs, and expenses, including attorneys' fees, arising out of the ownership, repair, replacement, maintenance, or operation of the Lateral.

5. This Agreement shall run with the Property and shall be binding upon and accrue to the benefit of (i) the Applicant and all future owners of the Property, the parcels created by the proposed Lot Split, or any interest therein, (ii) the District, and (iii) the respective assigns and successors in interest of the foregoing parties.

6. Should any litigation or arbitration be commenced between the parties to this Agreement concerning the enforcement or interpretation of any rights or obligations hereunder, the prevailing party shall be entitled to recover attorneys' fees in addition to such other relief as may be granted.
